

THE 2025 PERRENIAL MEDITERRANEAN SAILORS

Every summer, the Mediterranean Sea gathers some of the best sailors and sailing yachts.

The Mediterranean Records are open to the best sailing yachts and sailors, with routes connecting the Bay of Monaco to and from Italy, Spain and France, inviting you to push your limits and measure your performance online.

It is open to the best yachts – from classic yachts to foiling yachts - and additionally to the best sailors - the Perennial Sailors - of the Mediterranean Sea.

Every year, invited sailors are selected based on their notable accomplishments:

- 1/ the sailors with the highest achievements in the world of sailing: the America's Cup, the Olympic Games, the Vendee Globe, the Admiral's Cup, the Ocean Race, and others as racing evolve.
- 2/ the top 3 sailors or the top 25% of sailors in active classes within the Mediterranean Sea, as determined by their performance in the World Championships, European Championships, or another championship, whichever is most relevant geographically.

We welcome the following 2025 Perennial Sailors and wish to congratulate you for your achievements. Discover the list in the following pages.
