'From SailGP to the America's Cup, sailing is evolving. The Airborn Foiling Base allows sailors to discover and practise these new sensations in the best conditions.'

FOR THE BEST LOCATIONS

Whether you are a modern sailing school operator, public authority, in hospitality, or events organization, the Airborn Foiling Base allows you to:

- Make the best of your unused space
- Expand your offering with minimal infrastructure
- Call on the services of a professionally managed, well-kept structure

SUSTAINABLE CONSTRUCTION FOR MODERN LIFE

- Sustainable construction with re-purposed containers, wood foundations and interior structure, LED lighting and solar panels
- Optimized for the transition to foiling
- Redefines how sailing is experienced to fit modern life enabling independent, user-friendly sailing

YOUR SOLUTION

- TURNKEY PROFESSIONAL MANAGEMENT AND MAINTENANCE
- FULLY AUTONOMOUS
- OPTIMISED FOR THE LATEST GENERATION OF FOILING BOATS
- SMART ACCESS WITH 24/7 ENTRY VIA DEDICATED MOBILE APP
- HIGH BOAT STORAGE CAPACITY WITH LOW FOOTPRINT

TECHNICAL SPECIFICATIONS

- Construction: reused 20ft or 40ft marine shipping container
- Finish: protective white coating
- Foundations: robinia wood (class 4, naturally durable)
- Interior: robinia wood and stainless steel finishes
- Boat storage: optimized for the latest generation of foiling boats
- Crew area: dedicated space for gearing up and changing, with storage for life jackets and helmets
- Lighting: integrated interior and exterior LED lighting
- Access: 24/7 smartphone access via dedicated app
- Security: Internal cameras with access and opening detection
- Energy: solar powered, sized according to location
- Certification: fully compliant with European standards

FLEXIBLE BY DESIGN

Multiple sizes and configurations are available allowing each Airborn Foiling Base to adapt to your site and operational needs. Key configurations:

- 1 x 20ft container (2 boats, 6.06m x 2.44m), with side loading and unloading of boats, the most compact
- 2 x 20ft containers (4 boats, 6.06m x 4.8m), arranged side by side with entry facing forward for public use / events
- 1 x 40 ft container (6 boats, 12.2m x 2.44m) with storage of boats, with side loading, ideal parallel to the shore
- 2 x 20ft (4 boats 6.06m x 10m) containers facing one another with a centre outdoor zone, a modern-day club
- 2 x 40ft (12 boats 12.2m x 10m) containers facing one another with a centre outdoor zone, a modern-day club

The base must be installed next to the shoreline, best positioned near a public area with cafe, with access to a water point for rinsing equipment and nearby parking. For sailing clubs, the Airborn Foiling Base must be located as a dedicated autonomous unit, separate from existing operations.

AIRBORN FOILING BASE

THE AIRBORN FOILING BASE IS A MODULAR, PORTABLE STORAGE SOLUTION FOR YOUR FOILING EQUIPMENT. IT FEATURES A RUSTIC WOOD GRAIN FINISH AND A STYLISH, MINIMALIST DESIGN. THE BASE IS COMPACT AND EASY TO MOVE, MAKING IT IDEAL FOR BEACHES AND TRAVEL. IT PROVIDES A DEDICATED SPACE FOR YOUR HELMETS, FUEL TANKS, AND OTHER ESSENTIALS, KEEPING THEM ORGANIZED AND PROTECTED FROM THE ELEMENTS. THE INTERIOR IS LINED WITH A DARK, NON-REFLECTIVE MATERIAL TO PREVENT DAMAGE TO YOUR EQUIPMENT. THE BASE IS ALSO EQUIPPED WITH A LOCKING MECHANISM TO SECURE YOUR GEAR. AVAILABLE IN TWO COLORS: NATURAL WOOD AND DARK GRAY.

There is a lot to consider when it comes to foiling boats. Arrange a meeting to discuss your situation and see how the Airborn Foiling Base can help you achieve your aims.
